Role-play

PARLIAMENTARY
EDUCATION
OFFICE

Meeting the Parliamentary Education Office (PEO)

My group will meet our PEO Educator who
will tell us what we will be doing in our
role-play session.

I will stay with my group.

Entering the learning space

When we get to the learning space, I will sit on a bench with my group.

I can ask the Educator questions by raising my hand.

There are two different learning spaces. My space might look like this one or like the one on the next page.

During the session

We will be doing a role-play.

Some of my group will be chosen to have special roles or read a speech. It is ok if I do not get chosen.

If I want to be involved, I can put my hand up.

During the session

During the role-play it might be loud.

People will stand when it is their turn to speak.

I can ask questions if there is time.

The end of the session

We will leave the learning space.

My Educator will say goodbye and tell me our next activity.
