

# Teaching civics and citizenship: a parliamentary approach for secondary teachers

---

Looking for ways to make civics and citizenship more dynamic, relevant and memorable? Experience the Parliamentary Education Office's new professional learning workshop.

## During this session you will:

- enhance your knowledge and understanding of the Australian Parliament
- develop skills and techniques to engage students with Australia's system of government and how our democratic system works
- experience interactive and enjoyable classroom activities that explore the function and significance of the Australian Parliament
- come away with a collection of curriculum-aligned interactive and immersive teaching resources and strategies.

This TQI accredited workshop is aligned to the Australian Curriculum and is suitable for primary teachers.

With more than 30 years' experience in educating students and teachers about the Australian Parliament, we look forward to introducing you to the exciting opportunities of civics and citizenship education in your classroom.
